

Desktop Banking Remote Deposit

If you are a Business Banking customer who deposits checks, Gateway Bank's Desktop Banking/Remote Deposit will save you time and money -- all from the convenience of your own computer.

No matter where your business is located, Remote Deposit allows you to deposit checks whenever it's convenient for you. With an extended 6:00 p.m. cut-off time, there's no need to rush to the bank to make deposits. It's easy to use and offers your business flexibility.

Using your computer and internet connection, Gateway Bank provides you with a state-of-the-art Panini My Vision X check scanner, and we will assist you with set up and installation at your business location. Once checks are scanned, digital images of your deposit can be verified by you then transmitted to Gateway Bank via an encrypted internet site.

SAVES TIME

Eliminates the need to travel to the bank before it closes – saving you time.

STREAMLINES OPERATIONS

Desktop Banking allows all of your business locations to transmit deposits directly to a single account which can eliminate the need to maintain multiple checking accounts.

IMPROVES CASH FLOW

By depositing checks from your desktop, you gain faster access to your money since you can make deposits later in the day.

ELIMINATES ERRORS

Prevents errors with automatic duplicate item verification. Since only balanced deposits are transmitted, if there is a discrepancy, you will be able to correct the mistake immediately.

Desktop Banking is just one of many cash management products and services that Gateway Bank offers to help make your business operate as efficiently and cost effectively as possible, and our pricing is very affordable. We also offer SWEEP, ACH services, account reconciliation and letters of credit as well as other business products including term loans, lines of credit and commercial mortgages.

Call us today at **1-877-969-1010** and we'll take the time to listen to your needs and make recommendations that are right for you, your business and your budget.
